

Have you heard?

This year, college admissions test scores hit a **30-year low**.

42% of recent high school grads didn't meet vital college readiness benchmarks.

Impact of these low test scores includes

- Inability to use scores to gain an edge for test-optional admissions
- Fewer opportunities for scholarships
- Inaccurate freshman year course placement
- Increased time to degree
- Higher attrition rates

We can help you maximize your score—and future success—with our **ZAPS[®] Strategy Seminar!**

WHAT STUDENTS ARE SAYING

"I took a month-long class last year, and I thought that this one seminar was as useful and productive, if not more so, than the month-long class."

—Matthew,
Dos Pueblos H.S., CA

"Most test practice seminars are very boring and not that helpful. This one is the first where I learned valuable tips and information, and, I actually can say I enjoyed."

—Jillian,
Manhattan H.S., KS

"I found this seminar very useful! I appreciate the time and enthusiasm that was put into the presentation, and now feel 100 times more confident about testing. Thank you!"

—Olivia, Westford
Academy, MA
